Your Reference: 582-797 Mexico

Dear Mr. Brandt:

By official notice No. 6536, the Patent Office has requested us to amend the above mentioned application as follows:

- 1) To claim in the first clause all the procedure to expand tobacco, describing all the steps and operating conditions;
- 2) To clarify whether clauses 2, 3 and 4 depend of clause one;
- 3) To delete clauses 5 to 15 because they take out unity to the invention;

We have until April 11 to comply with the above.

Please give me your comments to the proposed amendment at your earliest convenience.

Sincerely yours,
